BOOK MAKERS

● Trace the triangle.

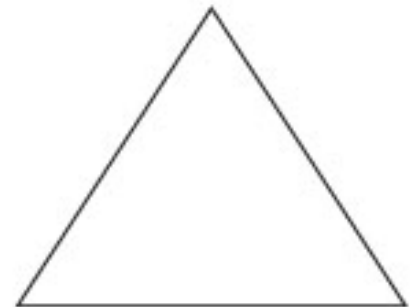

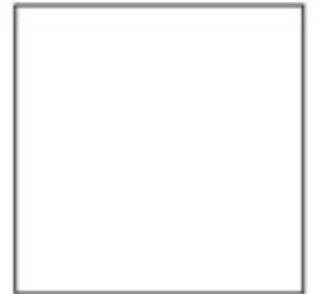

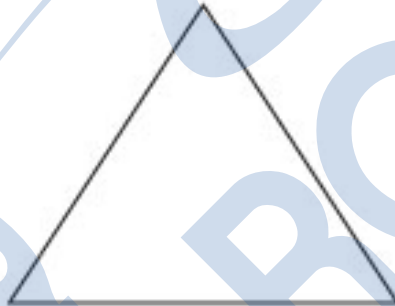

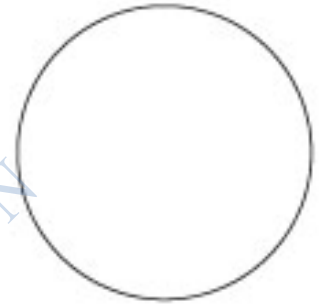

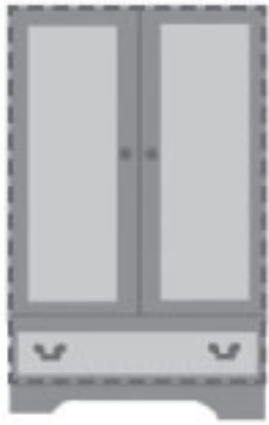

triangle

● Trace the rectangle.

rectangle

● Colour the same shapes.

Teachers ask kids to find the geometric shapes in the classroom.

● Trace the words.

big

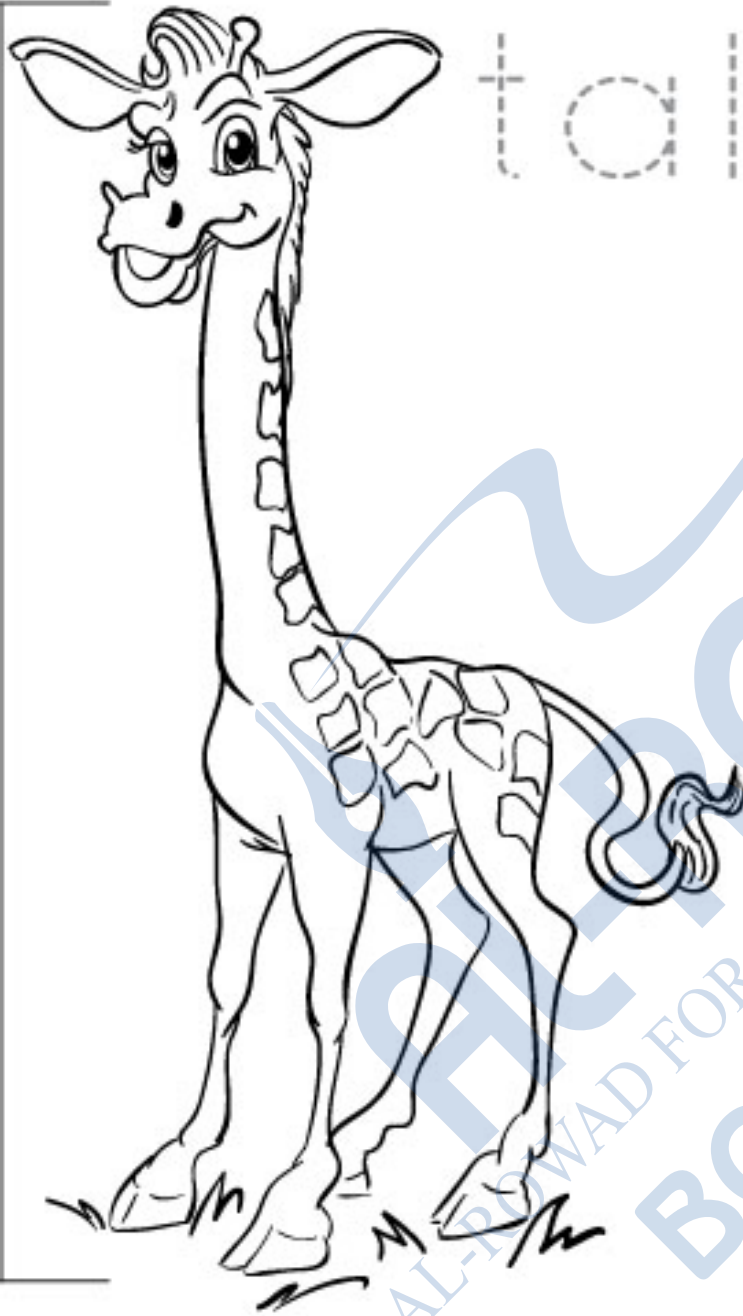

small

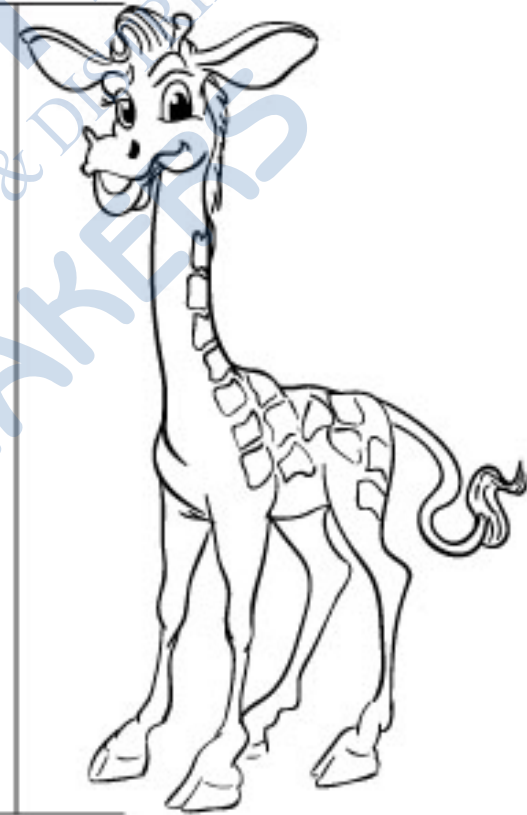

Teachers display appropriate teaching aids (images or figures) to indicate small and big things, and then ask children to make comparisons and to orally describe what they see.

● Trace the words.

tall

short

Teachers display appropriate teaching aids (images or figures) to indicate tall and short things, and then ask children to make comparisons and to orally describe what they see.
