Animal Sounds

What sounds do these animals make ?

The lion roars.

The duck quacks.

The horse neighs.

The donkey brays.

The cow bellows.

The snake hisses.

The honey bee buzzes.

The frog croaks.

Animals skin

We can classify animals according to their **body covering**.

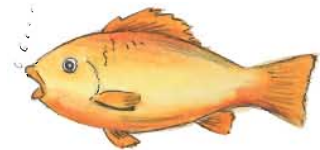

Animals may be covered with feathers.

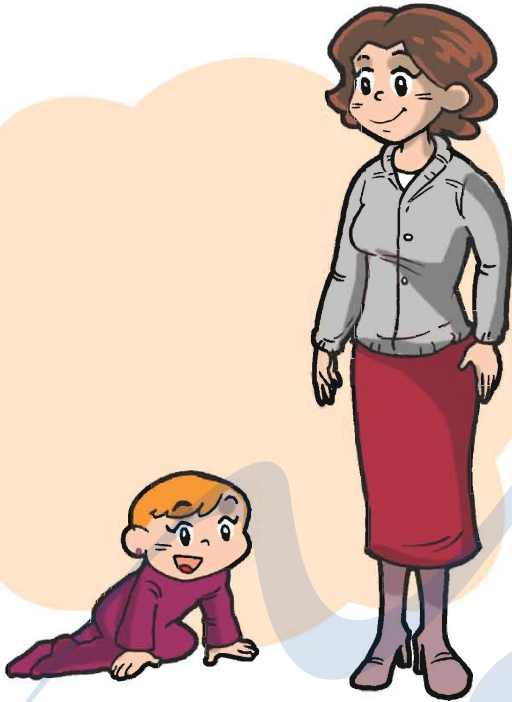

Animals may be covered with fur.

Animals may be covered with scale.

Living things grow

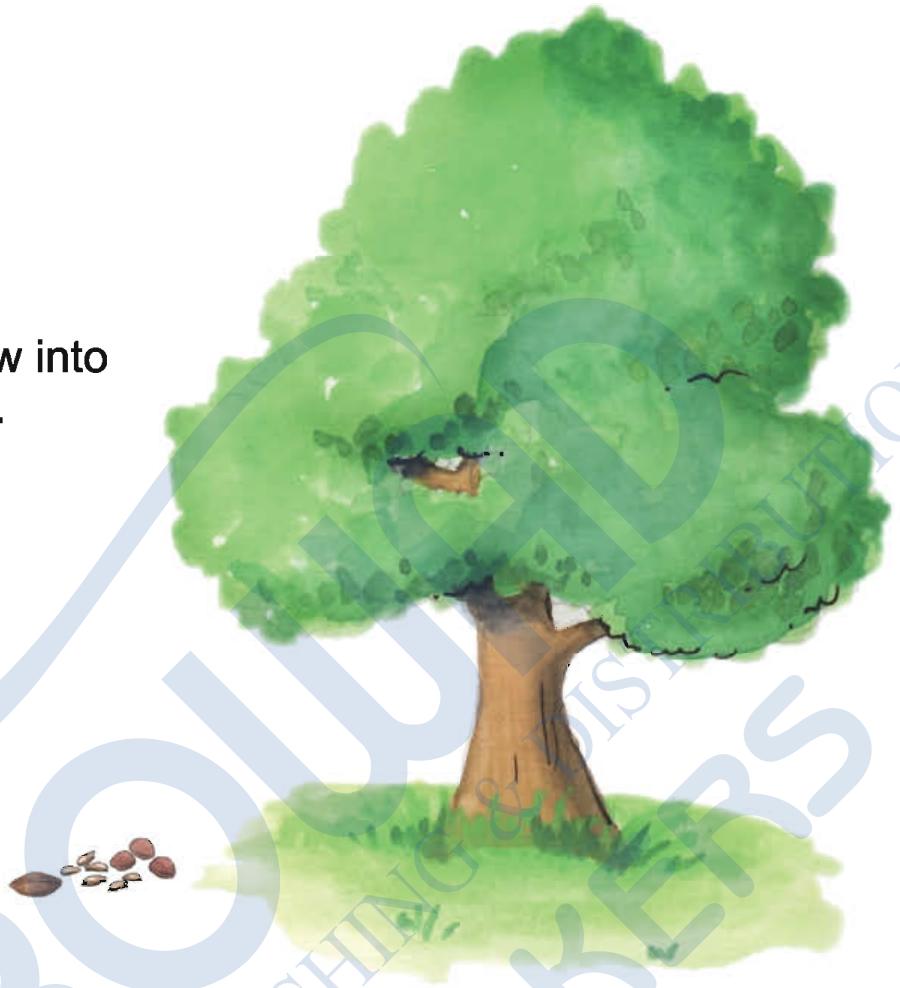

A baby girl grows into
a woman .

A baby boy grows into
a man .

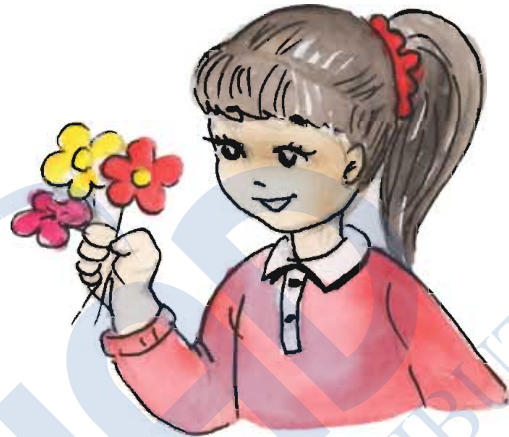

Small seeds grow into
large trees .

A puppy grows into a dog.

The five senses

We use our eyes to **see** things.
We can see how large, far or
what colour they are.

We use our ears to **hear**.
We can hear different sounds.

We use our nose to **smell** things.
We can smell different things.

We use our tongue to **taste food**.
We can taste different foods.

We use our fingers to **touch** and **feel**.
We can feel several materials.

We have **five senses**.
They are **sight**, **hearing**, **smell**, **taste** and **touch**.

Light and dark

★ Wherever we go we use light.

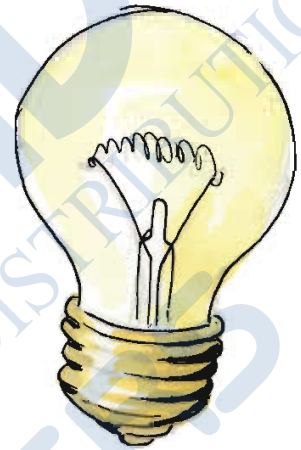

★ Light comes from different sources.

Match

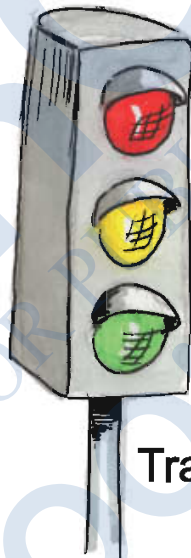

Neon Lamp

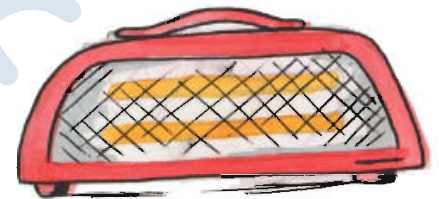

Lamp

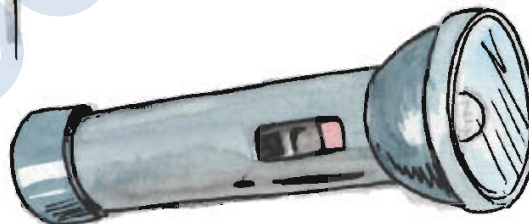

Candle

Traffic lights

Stove

Torch

When there is no light it is dark.

***Name the light sources you see.**
