0 | Describing Things

Lesson 1 Comparing

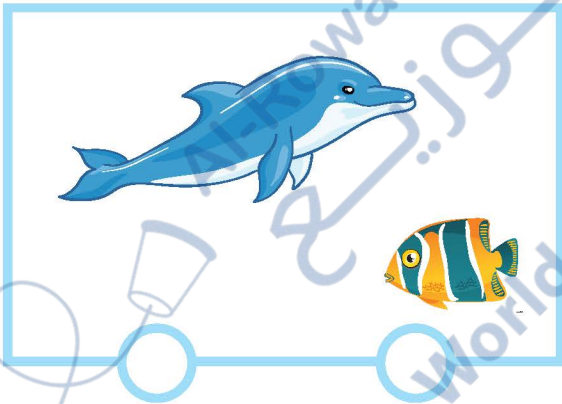

Big...Small

Tick the big one.

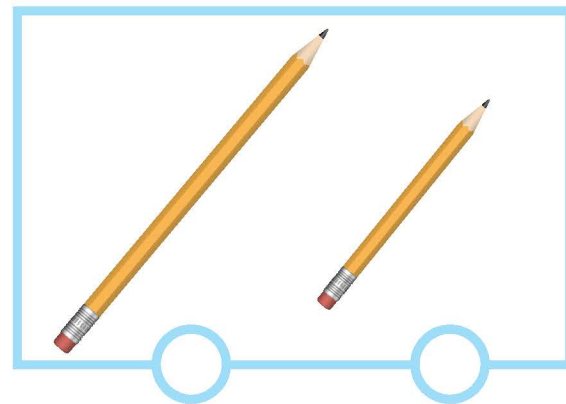

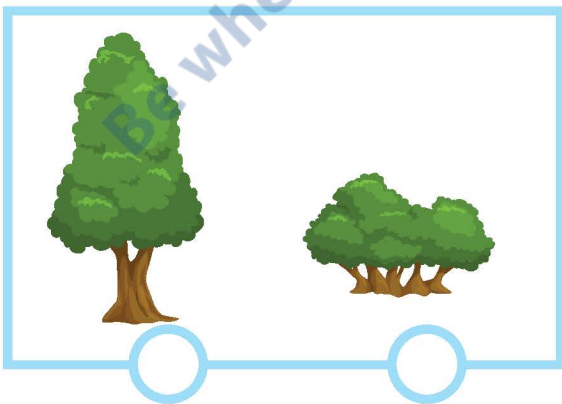

Heavy...Light

Tick the heavy one.

Tall...Short

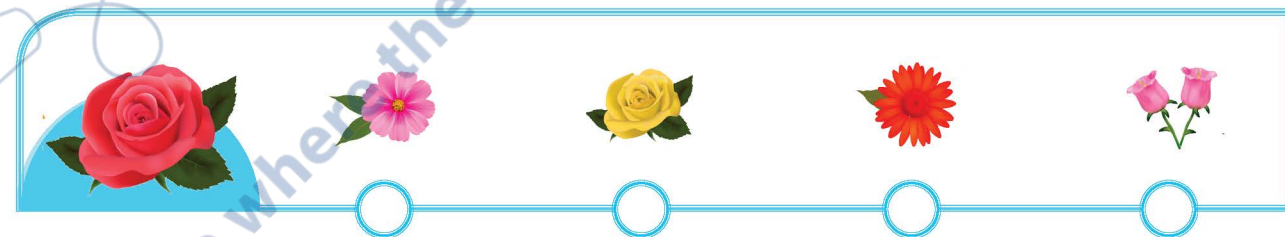

Tick the short one.

Tick the same shape.

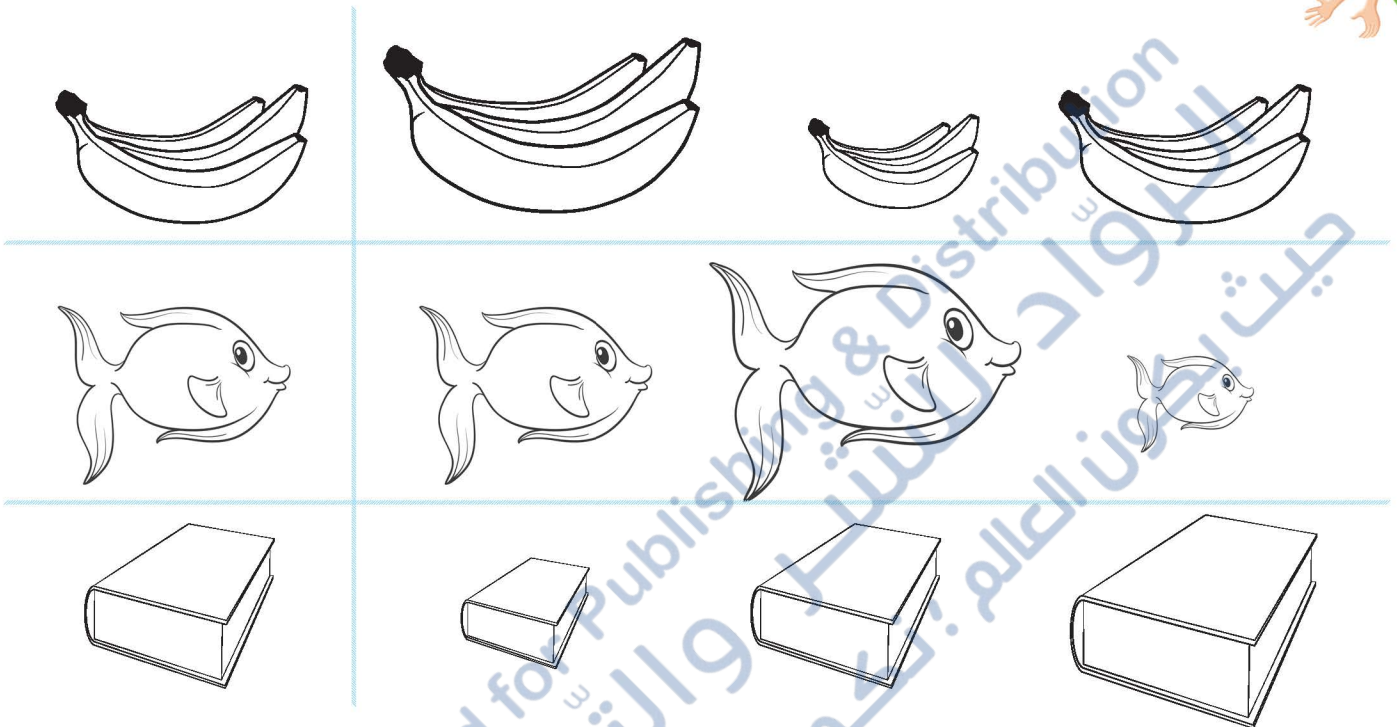

Tick the same colour.

Colour the same size.

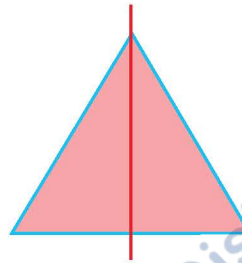

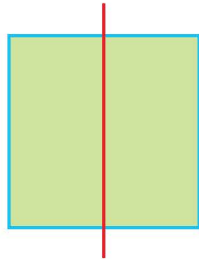

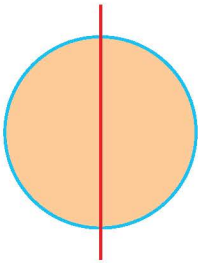

Circle the groups with the same colour and size.

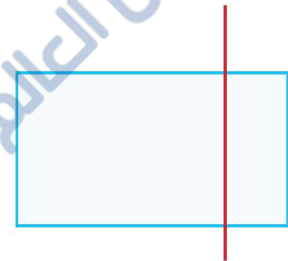

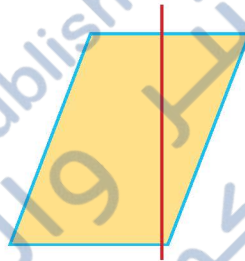

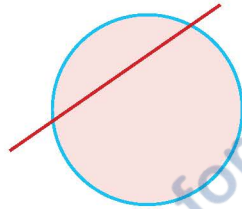

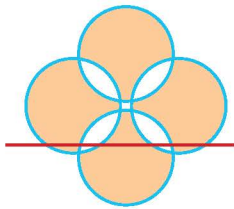

These shapes have two parts.

The parts are of the same size and the same shape.

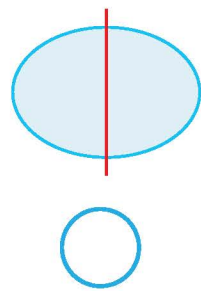

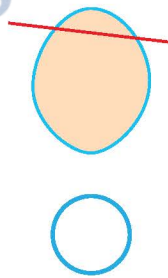

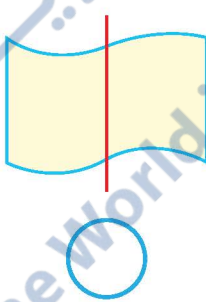

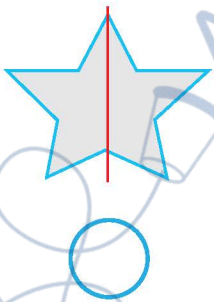

These shapes have two parts.

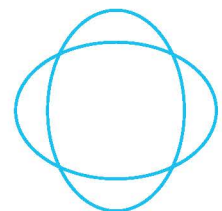

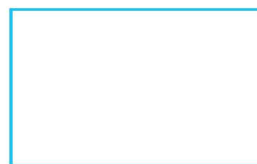

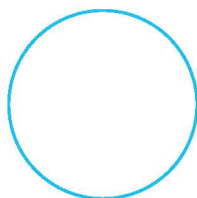

The parts are not of the same size or the same shape.

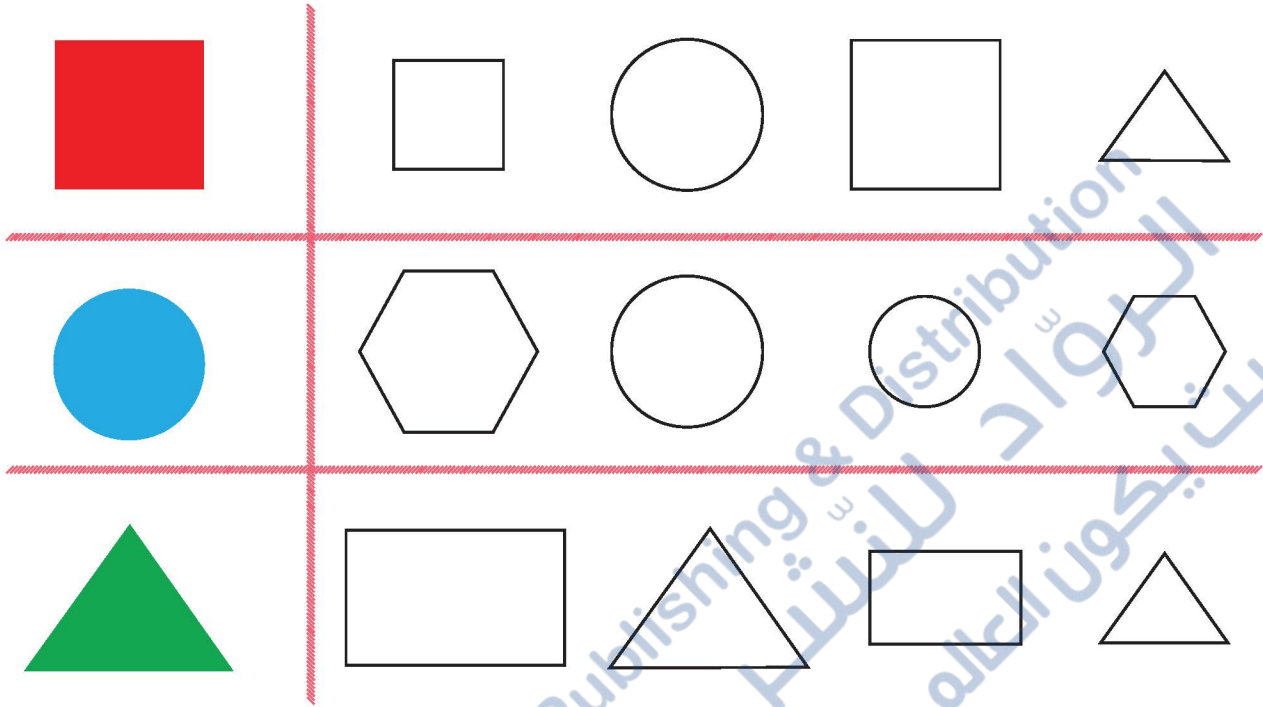

Tick the shapes that have two parts of the same size and shape.

Draw a line to make the shapes have two parts that are the same size and shape.

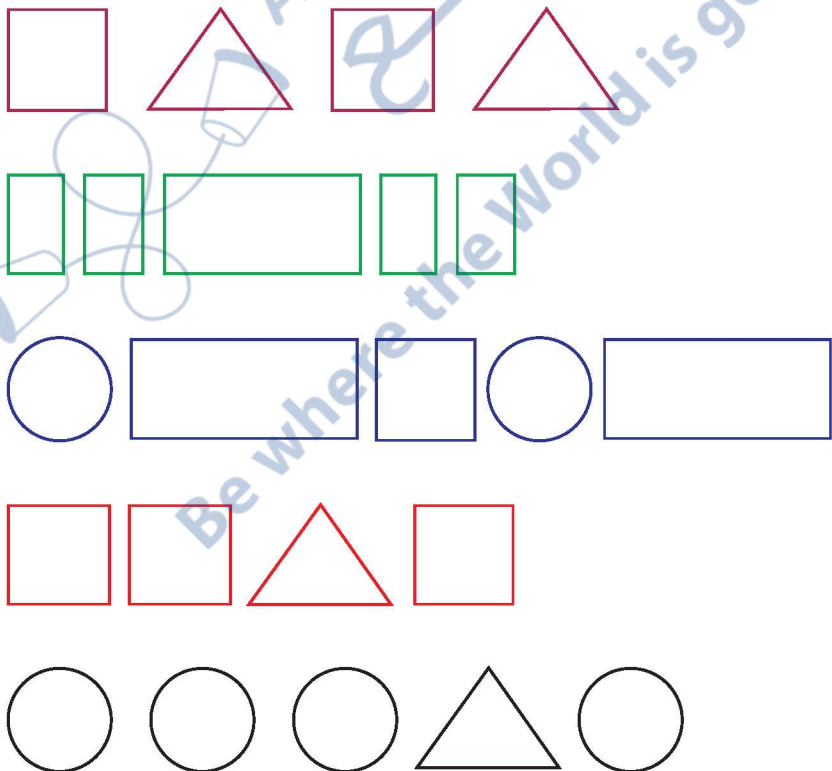

Colour the same size and shape.

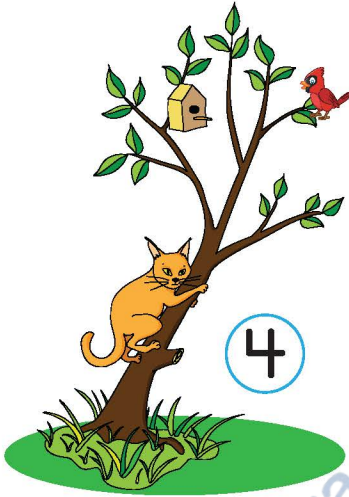

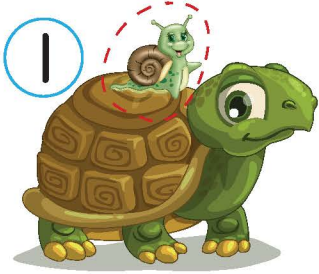

Lesson 5 Patterns

Complete the pattern.

Circle the animal above.

Look and circle.

The boy eats with his

(right left) hand.

The old man holds the walking stick with his

(right left) hand.

The boy writes with his

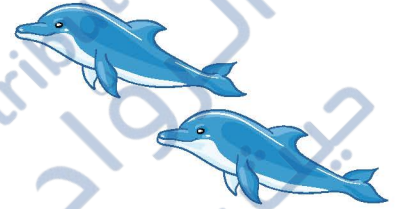

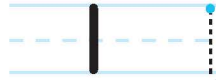

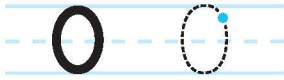

(right left) hand.
