2 Trace the dotted lines.

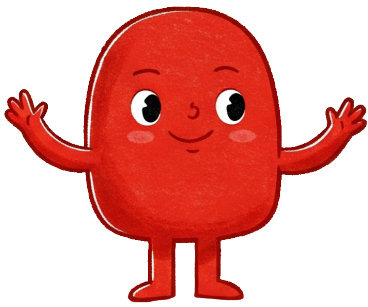

The page contains several dotted lines for tracing. At the top left is a large starburst shape. To its right is a cloud-like shape. Below these are several zigzag and wavy lines. At the bottom right, there is a large orange hill with a red crab on it. To the left of the hill is a green bush with colorful flowers and a blue watering can. A palm tree stands on the hill. A large watermark is diagonally across the page.
